

# How COVID affected my life

## How it affected me...

During COVID I was very stressed because my family members have health problems and I was worried about them getting sick and passing.

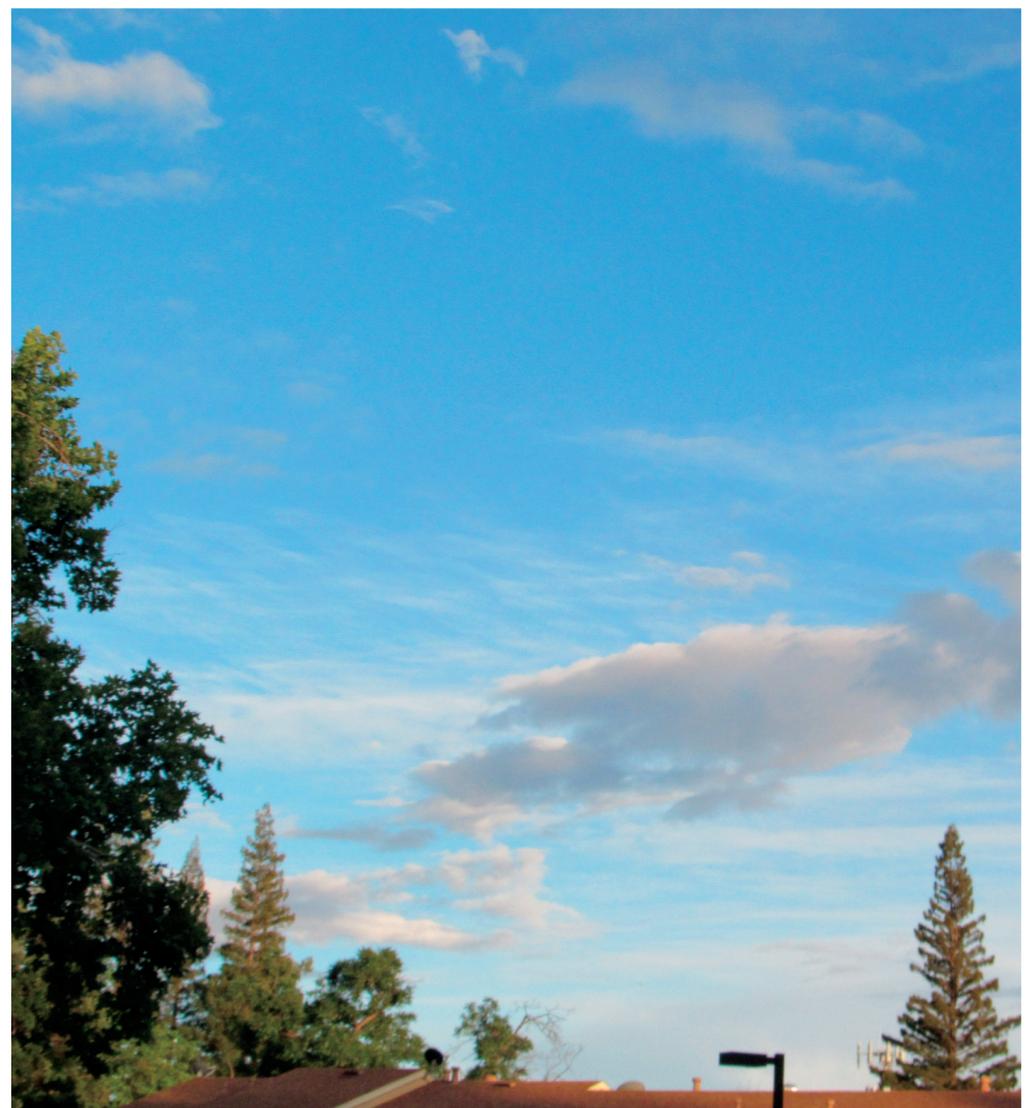

## How my life was...

Before COVID my life was fun and I could do things without a mask and just have fun with friends.

## Time with Family...

My time with my family was fun but I had to be aware of what I did so my family did not get COVID. I had to make sure to wear a mask in public and around others.
