

My Covid Story: Homeschool

Confusion.

So many days I felt unsure about how to properly manage my child's education amongst other aspects of everyday life.

Process.

We figured out how to approach homeschool through trial and error. We were doing it together. Through this process, my child taught me.

Clarity.

My child continues to teach me that the path to meeting a goal is as unique as the person upon it.

A PHOTOVOICE PROJECT

You can find more information on COVID-19 and available vaccines at: [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus)

This poster was created in collaboration with Migrant Clinicians Network, Promotores Outreach Program, and the CDC Foundation.
